Howdy Partners!

CROYA is excited to announce our biennial fundraiser, CROYA's Boot Scootin' Barn Dance!

Please join us on Sunday, February 10th from 2:00-4:30pm for an afternoon of line dancing, live auction, and barbeque pickin's. All profits will be split among The CROYA Foundation and The Ellie Burns Foundation.

The CROYA Foundation raises money for senior awards, scholarships for youth to attend CROYA programs, and exciting youth driven projects. Because of these opportunities, teens have the chance to build positive relationships and leadership skills.

CROYA has a long standing connection with The Ellie Burns Foundation, which provides deserving individuals with the opportunity to participate in outdoor experiences or programs. Students develop a sense of independence in nature through outdoor education or demonstrating a commitment to service.

So put on your boots and hats, your best flannel, and giddy up to CROYA! We look forward to seeing your best boot scootin' moves at CROYA's Barn Dance.

See ya'll there!
